

AAKAR ASSETS

Aakar assets is a real estate marketing company that has a very narrow focus: to fill your funnel with potential buyers and sellers. We like to call ourselves "sales centric", because we want your potential customers to buy from you. Our main objective is to cultivate the buyer/seller relationships and make sure that every business comes to a successful close, thereby creating long term repeat customers for you.

When helping their clients increase their profits, Aakar works with them to properly leverage the marketing channels in today's digital world. From blogging, social media and email marketing to online advertising, Aakar recognizes that it is vital to optimise your marketing channels for maximum effectiveness.

We are a prominent Builder & Developer, having developed approximately many apartment and building residential, commercial and other business segments and with operations in all over india.

We are looking for dedicated and hardworking individual who will be able to do the following:

- 1.Handle our project from start to finish.
- 2.Ensure timely completion of projects on time by making sure that the client is happy with the work done on their property.
- 3.Develop new areas of business by expanding existing operations or starting new ones in different parts of India or abroad.
- 4.Work closely with our clients to understand their requirements and help them in making informed decisions on their housing needs based on your expertise in real estate industry as well as your knowledge of market trends within India or abroad

We have built a strong reputation for ourselves by providing affordable quality homes for our customers. We are known as a builder who is committed to providing value for money to our customers.

We provide reliable and trustworthy real estate support in all areas of the market. We present our customers with works that match their standards,

build trust, and offer our clients a sense of satisfaction with every new undertaking we begin.
